

**Jonathan Tombes**, Editor, Communications Technology

Jonathan joined CT in 1999 and has covered video, voice, data and wireless technologies as deployed at consumer premises, on the distribution line, and in the node, headend and network operations center.

He also has written on standards, training and regulation that impacts the cable industry, has moderated panels and served on the SCTE Expo program subcommittee. Jonathan was editor of CT's Interactive Quarterly and now edits CT's Pipeline.

He previously worked as a research associate at a public policy institute and as Washington correspondent of the Vietnam Business Journal. His writing has also appeared in The Washington Post, The Asian Wall Street Journal and other leading publications.
